WORK EXPERIENCE

- 1. Class Representative (CR) July 2024 – Present** Acted as a bridge between faculty and students, ensuring smooth communication and resolving concerns. Developed leadership and conflict resolution skills by managing class-level issues and coordinating academic activities.
- 2. ISTE Core Team Member 2024 – Present** Organized and managed technical and fun-learning events, improving event planning and teamwork skills. Led a game round during the “Funceptual” ISTE event, enhancing problem-solving and coordination abilities.
- 3. Former IEEE Member (2023-2024)**
- 4. Technical Volunteer – SDSTD Conference 2025.** Provided IT technical support during the international SDSTD conference, ensuring smooth execution of presentations and sessions. Worked closely with faculty and participants to resolve technical issues in real-time.
